

Where in Europe can I get electrical distribution boxes made

Article Overview

Europe hosts numerous electrical distribution box manufacturers, including major players like Rittal, Schneider Electric, and VoltSafe Industrial Solutions, with factories across Germany, France, and other countries.

Major Manufacturers and Locations

- Rittal (Germany): A leading producer of electrical enclosures and distribution boxes, Rittal operates multiple factories in Germany and serves industrial, IT, and automation sectors with indoor and outdoor enclosures designed for dust, moisture, and fire protection .
- Schneider Electric (France and other European countries): Offers a wide range of electrical enclosures and distribution boxes for industrial, commercial, and residential applications, emphasizing energy efficiency and sustainability .
- VoltSafe Industrial Solutions (Germany): Specializes in industrial distribution boxes with advanced safety features like ArcFlash prevention, serving factories, hospitals, and critical infrastructure .
- Hammond Manufacturing (Europe presence): Produces high-quality electrical enclosures and distribution boxes suitable for industrial and commercial use .
- E-Abel (Europe presence): Focuses on flexible and adaptable electrical enclosures, including distribution boxes for IT and medical applications .
