

Where to find good fiber optic cables for multimode smart buildings in Europe

Article Overview

You can source high-quality multimode fiber optic cables for smart building applications in Europe from suppliers like Mouser Europe, Farnell Germany, Eland Cables, and manufacturers such as Corning and Prysmian Group.

Recommended Suppliers

Mouser Europe offers a wide range of multimode fiber optic cables suitable for networking and smart building installations, with detailed datasheets, pricing, and inventory available online . Farnell Germany provides multimode fiber cables engineered for high-speed, high-bandwidth data transmission, ideal for telecommunications, data centers, and smart building networks. Their cables come in various connector types and are designed to withstand harsh environments, ensuring reliable performance . Eland Cables supplies both indoor and outdoor multimode fiber optic cables, including loose tube and tight-buffered constructions. They offer fire-resistant versions for mission-critical applications and provide technical support, fast quotes, and international logistics . Stanford Optics specializes in multimode fiber cables for 1G, 10G, 40G, and 100G applications, covering OM1-OM4 standards with various jacket types suitable for diverse deployment scenarios .

Leading Manufacturers

Corning Inc. is a global leader in fiber optic technology, offering low-loss multimode fiber solutions with high reliability and future-ready performance for smart building...
