

Which company makes good ladder cable trays

Article Overview

Top recommended companies for ladder-type cable trays include Pemsca Cable Management, Thorne & Derrick, Legrand North America, Eaton, and Atkore International.

Leading Manufacturers

- Pemsca Cable Management, S.A. – A top-ranked provider specializing in robust ladder-type cable trays suitable for industrial and commercial applications, offering durable materials and modular designs for easy installation and maintenance .
- Thorne & Derrick – Known for high-quality cable ladder systems that support heavy cable loads and provide excellent ventilation, ideal for factories, data centers, and large commercial buildings .
- Legrand North America, LLC – Offers a wide range of metallic ladder trays, including straight and curved sections, with accessories for horizontal and vertical fittings. Legrand emphasizes compliance with international standards and sustainable solutions .
- Eaton (B-Line Series) – Provides metallic and non-metallic/fiberglass ladder systems with superior strength-to-weight ratios. Eaton's products are designed for commercial and data center environments, with CAD/BIM support for precise planning .
- Atkore International – Supplies galvanized, stainless steel, and fiberglass ladder trays, catering to heavy-duty applications in oil, gas, renewable energy, and infrastructure projects. They offer both standard and custom solutions .
