

Which company makes the best cable trays for China and Europe

Article Overview

Niedax Group, Legrand, Spina Group, Schneider Electric, and Eaton are among the top cable tray manufacturers suitable for both European and Chinese markets.

European Manufacturers

Niedax Group (Germany): Offers a wide range of steel, aluminum, PVC, and GRP cable management systems. Known for high-quality standards, technical consulting, and global service, Niedax operates in over 30 countries, including Asia, making it suitable for projects in China and Europe . Legrand (France): Famous for its Cablofil wire mesh trays, Legrand emphasizes modularity, durability, and compliance with international safety standards. Their products are widely used in data centers, industrial plants, and green building projects across Europe and Asia . Spina Group (Italy): Specializes in ladder and perforated trays for heavy-duty applications, including shipbuilding, petrochemical, and industrial sectors. Their solutions are highly customizable and meet rigorous European standards .

Global Manufacturers with Presence in China

Schneider Electric (France): Provides eco-friendly and robust ladder-type trays, ideal for industrial and energy projects. Schneider has a strong global network, including China, and focuses on sustainable and digital-ready cable management solutions . Eaton Corporation (USA): Manufactures high-performance steel and aluminum trays under the B-Line series. Eaton supports heavy-duty industrial and energy projects w...
