

Which company makes the best custom low-voltage cable trays

Article Overview

MP Husky, ABB, and Windy City Wire are among the top companies for high-quality, customizable low-voltage cable trays.

MP Husky

MP Husky is a leading US manufacturer with over 55 years of experience in cable tray systems. They offer a wide range of materials including aluminum, stainless steel, fiberglass, PVC-coated steel, and wire mesh trays. Their products meet or exceed NEMA, UL, CTI, and CSA standards, making them highly reliable for industrial, commercial, and low-voltage applications. MP Husky is known for customizable solutions and strong engineering support, ensuring tailored designs for specific project requirements .

ABB

ABB manufactures a comprehensive line of cable tray systems, including perforated trays, cable ladders, channel trays, and strut framing. Their facilities in Canada and Saudi Arabia allow for rapid production and distribution, supporting both large-scale projects and smaller refurbishments. ABB trays are designed for durability, adaptability, and ease of maintenance, making them suitable for low-voltage installations where reliability and long-term performance are critical .
