

Which company makes the best galvanized cable trays in India

Article Overview

Top manufacturers of galvanized cable trays in India include Super Steel Industries, KP Green Engineering, R.K. Engineering Works, and Patny Systems Pvt Ltd, known for durability, corrosion resistance, and industrial-grade quality.

Leading Companies

Super Steel Industries specializes in galvanized steel cable trays, offering perforated and ladder types designed for heavy-duty industrial applications. Their products are recognized for exceptional corrosion resistance and high load-bearing capacity, making them suitable for demanding environments. KP Green Engineering provides a wide range of cable trays, including pre-galvanized steel and mild steel options, with customization in thickness, width, and length. They have in-house fabrication and galvanizing facilities, ensuring precision, compliance with international standards, and long-term durability. R.K. Engineering Works manufactures perforated and ladder-type cable trays with a strong focus on quality through in-house galvanizing, serving sectors like oil and gas, infrastructure, and telecommunications. Patny Systems Pvt Ltd has over 32 years of experience in producing cable trays, grating, and related accessories. Their galvanized trays are known for reliability, timely delivery, and adherence to safety standards.
